LUXY COMPLEX

13, 000 Square feet of innovation, colour, sight and sound. Luxy features two very distinct rooms which will surpass your expectations, Luxy is perfect for any type of event, with exceptional VIP services, chic lounge settings and phenomenal decor. Luxy is sleek, seductive with

the luxuries of a premier nightclub and opulence of a World class venue. Reflections of light and images keep the eyes moving, with a state of the art computer driven sound system, custom designed with lighting grids and laser system. Luxy features a double heighted ceiling

with shimmering constellation of stars that lead you into the main room where three 20-foot illuminated palm trees reveal a room filled with glimmering granite cocktail bars, designed to tease your eyes with their colour and flair.

LUXY COMPLEX

Luxy is an experience that transcends the boundaries of Toronto's entertainment standards, with its multitude of offerings that captivate and entice your every sense. Luxy's European style interior and Las Vegas flair defines cutting edge design. Material, technology

custom hand crafted statues and murals bring a romanticized feel to each room. With an elevated main room stage and LED lit mural backdrop, Luxy's open floor concept creates a perfect social platform for speeches, award ceremonies and for hosting events.
